

Let's travel!!

1 The Seven New Wonders of the World are must-see monuments elected by vote in 2007. Take a look at them and tell your friends which one you would like to visit on your next vacation.

2 Now find the countries where they are from in the word search in order to complete the sentences

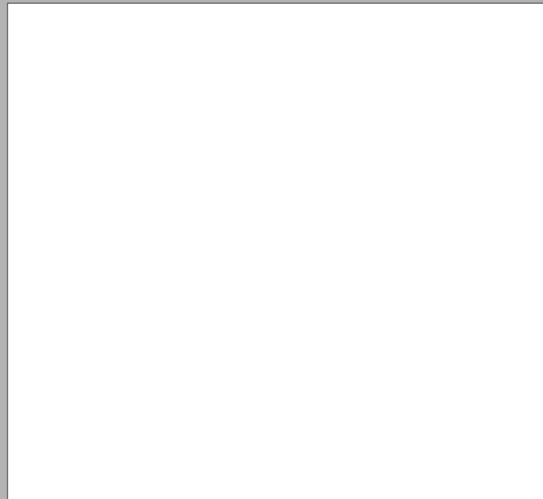

1. If I go to **C** _____, I will visit the Great Wall.
2. If I go to **M** _____, I will visit Chichén Itzá.
3. If I go to **B** _____, I will visit the Christ the Redeemer statue.
4. If I go to **P** _____, I will visit Machu Picchu.
5. If I go to **I** _____, I will visit the Taj Mahal.
6. If I go to **J** _____, I will visit Petra.
7. If I go to **I** _____, I will visit the Colosseum.

3 Read the description of the city bellow and draw a monument for it. Remember to create a name for your city.

- This is a modern city created by aliens.
- It is among forests and lakes.
- It is always sunny and hot there.
- This monument is on top of a mountain.

Name of the city: _____

Is it for real or is it surreal?

4 Have you ever seen this surrealistic picture before? In groups, look at the image and try to interpret it. Then listen and read about the surrealist movement.

What is Surrealism?

It is an artistic movement from the 1920s that first appeared in Paris and had, as its objective, to use the unconscious in the creativity process. This is why surrealistic paintings may sometimes seem crazy, because it comes from the imagination, where everything is possible.

By Vladimir Kush

Word pop-up

first appeared - apareceu
primeiramente
seem - parecer
tools - ferramentas
unconscious - inconsciente

5 One of the tools used by the Surrealistic movement is optical illusion. Here is a picture to illustrate that. Can you see both a young and an old woman in this picture?

6 Look at the picture called *Abaporu*. It was painted by Tarsila do Amaral. Circle the words that describe this picture.

SUN ANIMAL
BIG HAND
RAIN SMALL
FEET

ART: AMARAL, TARSILA DO ABAPORU, 1928
